AN INVITATION *from* Ballet Dallas

September 11, 2020

JOIN US THIS OCTOBER for ADAPTIVE DANCE!

Thank you for considering this opportunity! Ballet Dallas plans to provide a unique and fun, learning-enriched experience for a segment of our community. We are so excited about our pilot **Adaptive Dance Workshop** planned for the month of October.

This adaptive dance workshop is specifically designed for children of differing abilities, and will be offered at no cost to the child or their family. The workshop will consist of two, 1-hour classes for children ages 3-6, 7-12, and 13 & up, and will introduce students to the fundamentals of ballet technique and creative movement.

The classes will be interactive -- assisting students in developing an awareness of body movement, posture, and locomotor skills, and will encourage individual musicality and expression. Students will be exposed to the music and stories of notable ballet works. Sensory stations will also be used to help maintain the safe and comfortable engagement of each student, and current health and safety recommendations for in-person gatherings will be observed. Teachers and volunteers will also be trained in safety precautions and methods to ensure an enjoyable and controlled learning environment for all.

Please forward this invitation to your network. Interested families will have the opportunity to attend our in-person **Workshop Enrollment and Meet the Teacher** event (September 25, 2020, 4:00 p.m. CST; 17404 Hillcrest Rd. #200, Dallas, TX 75252), or to schedule a virtual appointment to complete enrollment before the first class.

Contact us with your questions (**Call** 214-736-7746, **Email** info@balletdallas.us). We have also enclosed additional information about this workshop, and will demonstrate that each child will be in a safe, enriching, and positive environment should they attend our workshop. Come let's learn, dance, have fun, and do so safely -- while enjoying the art form of ballet!

Sincerely,
Ballet Dallas
Educational Outreach Team
